

Kinsey Runquist

(310) 413-9382 | kinsey@ecrede.com | Redondo Beach, CA

Objective

Motivated and hardworking student interested in an opportunity to further my knowledge in the Cybersecurity field.

SOC Analyst Intern | American Honda Motors

July, 2026 - August, 2026

Executed proactive threat hunting, adversary intelligence profiling, and attack surface reduction efforts within the Security Operations and Response group:

- **Proactive Threat Hunting:** Executed a hypothesis-driven TTP threat hunt targeting adversary group *Labyrinth Chollima*, collaborating directly with senior SOC analysts to identify and remediate exposed attack vectors.
- **Adversary Intelligence & Profiling:** Authored threat actor intelligence profiles including associated TTPs and Indicators of Compromise (IoCs) that were tailored to threats targeting the automotive sector.
- **Risk Mitigation & Application Security:** Conducted environment audits and presented data-driven recommendations to leadership for updating, deprecating, or blocking high-risk, vulnerable applications.
- **Identity & Network Security:** Supported security operations by evaluating and fulfilling complex firewall access requests, ensuring strict adherence to least-privilege security policies.

Cybersecurity Intern | Southern California Edison

May, 2025 - August, 2025

As an intern in SCE Cyber, I rotated amongst different groups, including the Blue Team, Red Team, Digital Forensics and Incident Response (DFIR), engineering, and operations teams learning the various disciplines of cybersecurity:

- **Network Security Policy Management (NSPM):** Operated the tool to monitor and change firewall rules based on rule redundancies, overlaps and over permissive rules.
- **Triage:** Security alerts, such as suspicious n1test use and ssh tunneling by using various cybersecurity tools (SOAR, SIEM, and EDR)
- **Forensics:** Shadowed a forensics team members to learn the process of handling incidents
- **Red Teaming:** Worked with senior Red Team member helping to create a phishing lure to use in an exercise with MS Teams
- **Security Operations:** Updated Windows OS builds remotely through an endpoint management tool

Barista | Aromas Coffee House (USD)

August, 2026 - present

Take customer orders at the cash register, make drinks, and serve sandwiches and pastries

Administrative Assistant | Launch Dance Center

July, 2022 – August, 2024

Answered phone calls, made informational posters, helped customers, taught dance classes

Education

University of San Diego

Bachelor of Science, Computer Science | May, 2028

- *Concentration in Cybersecurity*
- *Minor in Spanish*
- Current GPA: 3.64
- Dean's List Student
- *Relevant Coursework:* Computational Problem Solving (Python), Programming Abstractions and Methodologies (Python), Introduction to Computer Systems (C and Assembly), Advanced Computational Problem Modeling (Java), Principles of Information Security

University of San Diego

Masters in Cybersecurity | May, 2029

TryHackMe

Completed approximately 50 rooms on various topics: Windows OS, Redteaming, Firewalls, Command Line, Linux, Networking, Offensive and Defensive Security Analysis, Windows AD, SOC, Endpoint Investigations, Forensics and Powershell

Skills

- **Technical Skills:**
 - o Programming Languages: Python, JavaScript, R, C, Assembly, Java
 - o Tools: Tanium, Splunk, Wireshark, SentinelOne, Nutanix, Firemon, CrowdStrike, Windows Defender, ServiceNow
 - o OS: Windows 10, Windows 11, MacOS, Ubuntu
- **Practical Skills:**
 - o Strong problem solver, experienced communicator, efficient team worker, highly organized

Activities

- Co-President of the Loops of Love Crochet Club at the University of San Diego (Since Feb 2025)
- Pi member of the Zeta Pi chapter of Alpha Delta Pi Sorority
 - o Vice President of Finance | Dec 2025-Aug 2026
 - o Operations Specialist and Finance Specialist | Mar-Dec 2025
- Scholastic Assistant for Advocate LLC at the University of San Diego | Apr 25-May 26
- Member of the Society of Women Engineers at University of San Diego Since Sep 2024
- Member of the Association of Computing Machinery at University of San Diego Since Sep 2024
- Knack Tutor for first through fourth semester Spanish
